

Cleaning to Prevent Errors

ID Printer Double-Sided Adhesive Cleaning Card

K2-I46Z25

This adhesive card is designed to remove contaminants from the tacky rollers in Fargo ID Printers. When inserted it will:

- Clean tacky roller
- Clean other interior rollers as it passes through the equipment.

Use as:

- A scheduled maintenance product to prevent poor printing
- An emergency maintenance product to correct poorly printed material

Product Includes:

- 25 - Adhesive Cards

How Cleaning Products Work

Transaction devices, such as card readers and thermal printers, need to be maintained for performance reliability. Cleaning products safely and easily remove dirt and other contaminants from within these devices without costly outside assistance. Each transaction device requires specific cleaning products to be used as preventive or corrective maintenance.
