

# Cleaning to Prevent Errors

## Lottery Ticket Validator / OMR Cleaning Card

K2-OMRB25

Lottery Ticket Validator / OMR Cleaning Cards are specifically designed to keep lottery ticket & optical mark readers debris and contaminant free. When inserted it will:

- Clean the optical lens and paper path within the reader

### Use as:

- A scheduled maintenance product to prevent card reader failures
- An emergency maintenance product after card reader failures

### Presaturated Optical Mark Reader/Writer Cleaning Card

Contains: 99.9% Isopropyl Alcohol  
3.25in. x 8in. (82.5mm x 203mm)

This Presaturated cleaning card is designed to safely and effectively remove contamination from optical read heads, write heads, sensors, guide paths, belts and rollers. Keeping the read heads and parts clean will improve reader acceptability, reduce downtime, and extend the life of your equipment.

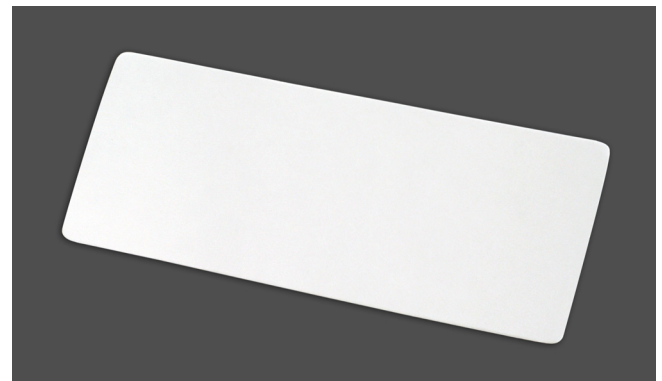

#### Usage:

Use twice per week for high-use readers, once per week for low-use readers.

#### Directions:

Remove presaturated card from pouch. Insert card into reader. Remove card from reader and dispose of card properly.

**Caution: Flammable**

## How Cleaning Cards Work

Transaction devices, such as card readers and thermal printers, need to be maintained for performance reliability. Cleaning cards safely and easily remove dirt and other contaminants from within these devices without costly outside assistance. Each transaction device requires specific cleaning products to be used as preventive or corrective maintenance.
